Bethlehem Design-a-Reusable-Bag Contest

Contest Theme: Designing for a Cleaner Future

What: Create a drawing that could be used on a reusable grocery bag and fits the theme of the contest. The idea is to promote a clean environment. For example, this could be a picture of nature, someone cleaning up litter, or people using reusable bags when they shop. Be creative and have fun!

Who: Any Bethlehem students from Pre-K to 12 can participate.

Rules for the contest:
1. The drawing must be fit on the designated drawing contest paper.
2. Only three colors can be used in the drawing (for printing purposes).
3. One drawing per student.
4. Students can include words or a slogan, but not any names.
5. Artwork must be original.

Please write the student’s name, grade, and school on the back of the drawing.

Winners: The winning designs will be printed on reusable bags that will be available for purchase.

Deadline: Drawings must be submitted by April 30th.
